
I analyzed 302 podcast transcripts and discovered 7 types of product leader

Here's what I found →

THE DATA

The dataset

302 episodes of Lenny's Podcast

280+ product leaders analyzed

186K lines of conversation

Analyzed with AI to extract leadership patterns, frameworks, and decision-making styles

THE FRAMEWORK

We scored every leader on 6 dimensions

- **Strategic Vision**
Direction-setting, first principles, long-term bets
- **Execution & Craft**
Shipping velocity, quality obsession, design excellence
- **Data & Experimentation**
A/B testing, evidence-based decisions, metrics
- **Growth & Distribution**
Growth loops, PLG, viral mechanics, channels
- **Team & Leadership**
Hiring, culture, coaching, org design
- **User Empathy**
Customer obsession, user research, design thinking

THE ARCHETYPES

Then we clustered them into 7 archetypes

- | | | |
|----|-----------------------------|---|
| 01 | The Visionary | <i>"See the future, then build it"</i> |
| 02 | The Craftsperson | <i>"The details are the product"</i> |
| 03 | The Scientist | <i>"Data over opinions, always"</i> |
| 04 | The Growth Architect | <i>"Distribution is the real product"</i> |
| 05 | The Growth Scientist | <i>"Hypothesize, test, compound"</i> |
| 06 | The Org Builder | <i>"Great products come from great teams"</i> |
| 07 | The Operator | <i>"The complete product leader"</i> |

ARCHETYPE 01

The Visionary

"See the future, then build it"

Top dimension: **Strategic Vision (84%)**

NOTABLE VISIONARIES

BC

Brian Chesky

CEO & Co-Founder, Airbnb

DH

Drew Houston

CEO & Co-Founder, Dropbox

AM

Amjad Masad

Co-Founder & CEO, Replit

BT

Bret Taylor

Co-Founder, Sierra / Former Co-CEO Salesforce

Visionaries operate from first principles. They question assumptions everyone else takes for granted and set ambitious, long-term direction.

ARCHETYPE 02

The Craftsperson

"The details are the product"

Top dimension: **Execution & Craft (77%)**

NOTABLE CRAFTSPEOPLE

CJ

Claire Hughes Johnson

Former COO, Stripe

ES

Elizabeth Stone

CTO, Netflix

JB

Jackie Bavaro

Former Head of PM, Asana

DL

Daniel Lereya

Chief Product & Technology Officer, Monday.com

Craftspeople believe product quality is the entire game. They obsess over interaction design, edge cases, and the invisible details that separate good from great.

ARCHETYPE 04

The Growth Architect

"Distribution is the real product"

Top dimension: **Growth & Distribution (78%)**

NOTABLE GROWTH ARCHITECTS

EV

Elena Verna

Head of Growth, Lovable

AD

April Dunford

Positioning Expert & Author

AJ

Andy Johns

Former VP Growth, Wealthfront / Facebook / Twitter

CB

Claire Butler

Head of Go-to-Market & Growth, Figma

Growth Architects see every product decision through the lens of distribution. They obsess over growth loops, viral coefficients, and channel strategy.
